PRESIDENT'S REPORT

Our late summer/early autumn weather was perfect weather for our dowsing field trip to Sugarloaf Reservoir on Sunday 30 March. We dowsed and talked to the spirits of water there and will report on our findings in the DSV June Newsletter.

At our next meeting on Sunday 27 April, we will begin by holding our Annual General Meeting (AGM). All positions will be declared vacant and nominations called for to fill the Committee positions. We're hoping some new people will join us to bring some fresh ideas and some dowsing enthusiasm to share with the DSV.

We are very sorry that Pauline Abbonizio, our Treasurer has decided not to re-stand for election due to many commitments on her time. She has done a fabulous job over the years, guiding our finances so diligently and we thank her sincerely for her dedication to the DSV.

Heather Wilks would also like to step aside from the role of the Newsletter Editor. So if you can write and edit and you're able to work on a computer using "Word" and "Google" please consider nominating. Heather is happy to stay involved for a time to help you in the transition.

Our Newsletter is created using a template with articles for each new edition pasted into it. This is probably the easiest time to step in and offer to take it on. It really isn't so hard ☺

A few years ago the British Society of Dowsters declared 5 May to be International Dowsing Day (IDD) in honour of the birth date of acclaimed British Dowser Hamish Miller. This year we'll get together on **Sunday 4 May** because the Monday

isn't a public holiday here. At the next meeting I'd welcome your comments about meeting in Jells Park versus the Beaconsfield district. You can phone me on 8759 3182 or 0409 839 581 - or send an email: lyn.wood@optusnet.com.au

On 27 April we have a new speaker, kinesiologist Geoff French, who will talk about the energy products he has developed to deal with stress and he wants us to bring our pendulums along for our own experience.

OUR NEXT MEETING

We keep the formalities short at our AGM so that we can move on to our guest speaker. All memberships are due and to be eligible to vote or nominate for the Committee you need to be a paid-up member. Please consider standing for a position yourself. New ideas and new energy will be very much welcomed by the DSV!

Geoff French is a teacher and kinesiologist and we look forward to his presentation on 27 April. Geoff has developed a number of energy correction methods for stress-related issues.

Geoff French

This promises to be a fascinating presentation and we urge you to come along and find out about how you can personally benefit. Feel free to bring friends along. Even if they're not yet dowsing, this will be a great introduction for them.

OUR LAST MEETING

DSV life member Mick Moran presented at our meeting on Sunday 9 February.

He lived up to his reputation as our laid-back Aussie dowser, delivering his message and his yarns with his usual humour and underplayed passion.

DOWSING JOURNEYS

Developed from an interview by DSV Member, Bernadette Hogan, as part of an ongoing segment.

Marie Metcalfe - It was only when I bought my own copper spiral pendulum that I became one with dowsing.

When I moved to England in 2006, I went to Crop Circle Conferences in Wiltshire, where the Wyvern Dowsing Society (of the British Society) had a tent with lessons and literature. I bought some rods and my dowsing days began in earnest.
