DSV philosophy: Through awakening consciousness, we are empowered with knowledge and skills to unconditionally serve others.

PRESIDENT'S REPORT

I'm amazed it's over twelve months since I was first elected as President of the DSV. Along with most of the previous Committee I was re-elected at the AGM in April.

We're all disappointed that Barbara Raiskums chose not to re-stand and appreciate her valuable contributions. We now welcome Pauline Abbonizio to the position of Treasurer, as well as Alan Robison as another new Committee member.

Our planned speaker for the last meeting, Dennis Toop, was unable to attend due to an unexpected bout of illness. He has been re-scheduled for our meeting on 9th August.

At our next meeting on 21st June, Committee member Heather Wilks will tell us about her work with pendulum scrambling - a technique taught in Raymon Grace's books and DVDs.

I've used scrambling myself at properties I've dowsed, clearing the geopathic stress.

If you take a lot of notice of what's going on in the media it is so easy to fall into fear, anxiety, doubt, and a range of other negative feelings. It's helpful to remember that it's not possible to feel love where there is fear. Thinking positive thoughts can apparently strengthen our auras which in turn gives added protection from energies contributing to colds and flu.

If you have a particular question about dowsing, come along and throw it open to everyone at question time after the break. You're sure to find the answer you're looking for.

Meanwhile, good luck with your dowsing.

Lyn Wood, *President*

As your friendly DSV newsletter editor I've been invited to present at the next DSV meeting to be held on 21st June, 2009.

I have become a dedicated devotee of American Dowser, Raymon Grace, using his methods of pendulum scrambling on a daily basis. I hope it will be of interest to you too.

OUR LAST MEETING

With Dennis Toop unexpectedly ill, our President, Lyn Wood, stepped into the breach and presented to the DSV on her methods of Property Dowsing. Dennis, Treasurer of the South Australian Dowsers' Club, will present to the DSV on 9th August.

Lyn explained that DSV founder, George Williams, taught her to dowse and that when he invited her to properties he was working on, she learned on the job. In time she felt confident enough to make her own suggestions and these were welcomed by George.

Lyn Wood, DSV President

Lyn told us that she's now dowsed about 50 properties on her own since George passed away in 2004. Some she's dowsed on site and others remotely using a map.

STRAW'S LANE REVISITED

Another special article from DSV Member, Mick Moran, a regular contributor.

A week after the DSV field trip to Hanging Rock in March, I caught up with one of the friends I'd taken along, to see what he'd thought of the day. He said he thoroughly enjoyed the trip and was glad he went. It wasn't long before the conversation moved to the Straw's Lane Phenomena. (Straw's Lane is the place near Hanging Rock where the cars appear to roll up hill.) We both agreed it was an optical illusion, but he was convinced that there was more to it.

TELEPATHIC IN 25 YEARS?

Will we all be telepathic in 25 years?

Edited article by Mukul Sharma, Times of India

Does telepathy exist? The majority of mainstream scientists believe that the paranormal acquisition of information concerning the thoughts, feelings or activity of another person is a lot of poppycock.
