DSV philosophy: Through awakening consciousness, we are empowered with knowledge and skills to unconditionally serve others

Next meeting Sunday 21 July 2024

PRESIDENT'S REPORT

I hope you are keeping warm and have even enjoyed a Solstice meditation perhaps, for the shortest day. At least that means it will warm up in the fullness of time although it is very cold now.

I was a little disappointed at our AGM at the last meeting when 3 people didn't re-stand for election, that being our long-serving Vice President/Newsletter Editor, Heather Wilks, Robert Griffiths our Librarian who has served for some time, and also Ruth Avery.

However we gained a new member in Mel Mitsios who has already helped us with publicity at the Mind, Body Soul festival and other shops. We have reprinted our old brochures so if anyone could give some out at crystal shops, libraries, neighbourhood houses etc that would be wonderful. See Mel to get some.

We desperately need new members and people willing to help. I have received a lot of phone calls and emails from people wanting to know about dowsing so hopefully these people will attend a meeting. There have been a lot of requests for dowsing training so we will have some people ready about 1pm before meetings to give some basic training or answer questions. This is all great!

Thus I am endeavouring to get more speakers on actual dowsing. To this end, member Bronwyn Bain will speak again of her adventures in dowsing, in July.

Lyn Wood, President

OUR LAST MEETING

Eve Dembowski

The presenter at our last meeting, Astrologer Eve Dembowski, talked about how the study of astrology has changed over the years.

For over 2000 years Astrology was not so focused on the individual and their process, but rather on human being's relationship to the Divine, as reflected in the Cosmos.

She posed lots of questions for us to ponder.

OUR NEXT MEETING

Our presenter for the next DSV meeting on 21 July 2024 is member, Bronwyn Bain.

In the past Bronwyn was a University Lecturer, has travelled widely and is interested in learning lots of different things.

She has studied dowsing in person and online with Hamish Miller videos, Tim Walter and mediumship through Gordon Smith.

Bronwyn plans to show some videos, one called Diverse Dowsing with interviews with a health worker, archaeologist, and someone map dowsing and maybe more. So come and learn lots of things about dowsing from UK experts.

To allow us to start at 2.00 pm sharp please arrive at 1.30 pm unless you'd like some basic training at 1.00.

**DSV meetings for 2024: 21 July, 22 September, 24 November
