PRESIDENT'S REPORT

I'd like to thank our DSV Committee members for re-standing at the AGM. Everyone was re-elected, except Mick Moran who finds it hard to travel from outside Ballarat in rural Victoria for our meetings. Happily he continues to support the DSV.

Thank you also to Christine Holden for joining our Committee. Great to have you on board. And welcome back to Ruth Avery. Ruth was on our Committee some years ago and it's good to have her support again now.

We had a very successful discussion initiated by the topics of our Panel members. Judy Boyd, Bronwyn Bain and I spoke about ways we move on stuck spirits and change earth energies. Lots of comments and questions came from the floor and time passed very quickly.

I hope to see you on 23 July for our next meeting with Cat Vermeer. Bring a friend if you can as it promises to be very interesting.

Lyn Wood, *President*

OUR NEXT MEETING

Cat Vermeer will be our presenter on 23 July. She has created a range of Auric sprays called "Harmonize Me".

Cat grew up in New Zealand in a Catholic household of nine children. She found it difficult to find a voice. Then she married and moved to Adelaide in Australia where her true spiritual journey began.

Today Cat is grateful for the gift of life and the essences on so many levels. She says her range of essences has been helping many in NZ and Australia for quite a few years now. She dowses with a pendulum to check which essence will benefit a person.

OUR LAST MEETING

Our Dowsing Panel was warmly welcomed at our last meeting. Lots of fascinating discussions unfolded about moving on spirits, changing energy fields and more.

Bronwyn Bain, Lyn Wood, Judy Boyd – Panel

CHANGING CAR ENERGY

Thanks to DSV President, Lyn Wood, for this article.

I recently received an email from a former client whose house I had dowsed. He had bought a second-hand car and realised that after driving it, with its electronic gadgets, he'd feel drained.

He contacted me to see if there was anything he could do with dowsing to feel more alert when driving. I suggested scrambling the bad energy and replacing it with healthy, alert energy.

My client also inserted an Orgone car EMR harmoniser into the USB port.

So far so good because he hasn't felt drained at all since doing all this.

FORGET ABOUT YOUR GENES

Thanks to Committee Member, Bev Ellison for sourcing this article:

*This is an extract of **Forget About Your Genes, You Can Be the Author, not the Victim, of your Health** by Dr. Christine Bradstreet*

Science proves how important your thoughts and beliefs are when it comes to your physical health.

People are quick to defend their health problems. There's usually a long list of reasons why they have health problems and arguments about how their case is special or different.

It's a human tendency to argue for our limitations. We want an answer or an excuse. It's easier.

We even filter our experiences to find evidence to back up our limiting thoughts and beliefs. Without even realising it, we've created a self-fulfilling event. Then that limiting belief about health just keeps showing up. Your problems really want you to leave them alone.

Today, you're going to put a stop to that and radically change your health.

WEEKLY ONLINE DOWSING x 2

1. Each Friday (12 noon AEST time) Heather Wilks and fellow dowser, Frances Peterson, hold a short online dowsing session to help in raising consciousness and supporting a new Golden Age.

It begins with a Full Court of Atonement (FCOA) (based on the channelled work of Amy Jo Ellis www.courtofatonement.com)

Currently in the US the group meets on Thursdays at 7pm Pacific, 8pm Mountain and 10pm Eastern time.

After the dowsing, Heather provides a guided group visualisation. It's designed to encourage us to imagine how we'd like things to transform for a new Golden Age.

A number of DSV members, along with dowsers from Australia and overseas, meet on the call which usually runs for about 20 minutes

You're invited to join in at 12 noon AEST (Melbourne, Sydney, Brisbane, Canberra time). Just go directly to Zoom with these details:
